

Create Your Weight-loss Plan for Success

- Stay hydrated. Choose water instead of drinks high in sugar and caffeine.
- Set goals. Make sure goals are measurable and then reward yourself when you reach them.
- Get active. Participate in some form of physical activity for at least 20 to 30 minutes a day.
- Don't overdo it. Check with your doctor before beginning an exercise program and then start slowly.
- Eat healthy. Practice portion control and eat five servings of fruits and vegetables a day.
