## Update to Commercial and ACA Medical Benefit Product Coverage for Medical Mutual Plans

Effective Oct. 1, 2024, prior authorization will be required for Somatuline Depot (lanreotide) [HCPCS codes J1930] under the commercial and ACA medical benefit. All other lanreotide products [HCPCS codes J3490, C9399, and J1932] will not require prior authorization and will be managed by claims edit.
